Reducing crime by good design

This is to certify that

CYD® Drink Spike Tests

have been accredited by

Secured by Design

Secured by Design (SBD) is one of a group of initiatives that is owned and operated by the UK's Police Crime Prevention Initiatives.

SBD approval confirms that the CYD® Drink Spike Tests meet recognised police security standards and has been independently evaluated for its contribution to personal safety and crime prevention.

This recognition reinforces CYD's commitment to helping individuals detect drink tampering and reduce the risk of drug-facilitated crimes.
